Mr. President, one new bill. Read title to LB 816.

That's all Mr. President.

PRESIDENT: We're ready to go to Select File. LB 275.

CLERK: Mr. President, LB 275 committee amendments were adopted. The E & R amendments were adopted. Senator Clark has amendments offered to LB 275 which are found on page 233 of the Legislative Journal.

PRESIDENT: Senator Clark.

SENATOR CLARK: Mr. President, members of the body. The grievance amendment that I put on the bill the other day I had withdrawn. The reason I had it withdrawn was it was a little too complicated and too long, and probably changed the whole bill, which it actually did. This is strictly an amendment to it. What this does is to take care of the grievance procedures at the Penitentiary so it will then be in compliance with the Supreme Court ruling. This was agreed on, worked out and hammered out between our staff and the Judiciary staff. Senator Luedtke has certainly agreed to the amendment. I think he would like to speak to it.

I'll be glad to go over what it does. It merely defines procedures. I'd move for the adoption of the amendment.

CLERK: Mr. President, in addition to the Clark amendment, found on page 233, Senator Clark offers the following amendment to the Clark amendment: (Read amendment found on page 262).
